Dear Parents / Guardians,

Almost every week, your child will be completing a self-evaluation that will be in their agenda. The lines in the evaluation reflect the most important working goals we have established for our classroom. These are: "1. I listen and am respectful in class, 2. I speak French in class, 3. I work well in class, 4. I am organized, 5. I am a good friend and display a positive attitude in class, 6. I make safe choices for myself and those around me in class."

These lines might change during the year. I add a check mark or a note to indicate if I agree/disagree with their choice in the evaluation. It is important that you sign and discuss the evaluation with your child (strong points - areas to improve).

The marks/rubric for the evaluation are:

3 = excellent

2 = good

1 = needs improvement

Thanks for your continued support,

Mme. MacCulloch
