

Introduction to Poetry Unit Notes 2: Examples and Final assessment rubric

Please take a look at the rubric and examples of grade 3 writing so we can compare and discuss the examples and so you have an idea of what you need to do for your assignments.

The rubric is laid out in the same way as the ones we have used before for personal writing.

The examples include, one that is not yet meeting the grade 3 level, one that is minimally or just meeting grade 3 level, one that is fully meeting or well done and a last one that is over and above or exceeding. There are also notes about why it was good or what was missing.

Although they are not poems, they will give you an idea of how your creative writing will be assessed.

Thanks!
